

# Alumni

Our Cozen O'Connor family extends far beyond those of us here today. We have colleagues who have moved on from Cozen O'Connor to incredibly varied positions and found success in in-house positions, the public sector, and in non-legal positions for other companies. We also have colleagues with us today who have left and returned. We aim to maintain these relationships as a display of our collegial culture and our bond as colleagues and professionals.

Are you a Cozen O'Connor alumni? We would love to hear from you, please register or sign in to **reCONNECT**, our dedicated alumni portal.
