

Volunteer Lawyers for the Arts

Wednesday, April 15, 2020

Peter Ennis was featured in the Greater Pittsburgh Arts Council "Volunteer Lawyers for the Arts" Coronavirus edition newsletter. The newsletter states that the pandemic has created a difficult time for many, including artists and arts groups who have had performances and contracts canceled. To help out they "launched a new service, HR Advisors, that provides quick human resources help and direction to arts groups. This guidance included hosting a webinar on the CARES Act and other stimulus programs that provide assistance to arts groups that was attended by 70 different arts organizations. Peter Ennis of Cozen O'Connor, a star VLA volunteer, was one of the panelists."
