

A View From Over The Hedge: A look at the impact hedge funds and private equity firms have had on retail bankruptcy

Date & Time

Start Date: 04/11/2019

Christina Sanfelippo moderates a panel discussion discussing the impact hedge funds and private equity firms have had on retail bankruptcy at the International Women's Insolvency & Restructuring Confederation (IWIRC) spring conference. The panelists will give an overview of alternative capital sources and dive into other issues such as:

- Comparison of Alternative Capital Sources and Traditional Lenders
- Strategies and Positions in the Capital Structure
- Emergence Vehicles
- Case Study: Kmart/Sears Bankruptcies
