

# Ethics & E-Discovery: What You Don't Know Will Hurt You and Your Client

## Location

Webinar

## Date & Time

Start Date: 07/09/2018

## Speakers

This webinar provided an overview of the key legal considerations attorneys should have in mind when preparing to depose a CISO. Some of the topics discussed in this CLE program included, understanding the technical systems at play in the CISO's business, how to sniff out technical jargon non-sense and circuitous answers, and techniques for using expert consultants.
