Start Time: 1:00 p.m.

Speakers

Thomas Wilkinson will be presenting a webinar for the PBI.

When one thinks of ethical requirements, legal writing does not immediately pop into mind. However, much of legal work is done through the written word. Just as lawyers often violate ethical rules when communicating with clients, judges, and other lawyers, they also cross the line in their writing.

Panelists will discuss these ethical pitfalls and how to avoid them.
