- Strategic Risk & Complex Litigation

Cozen O'Connor works closely with clients throughout the claims process to resolve issues efficiently and in a way that serves insurers' broad business goals. Often, detailed contractual analysis and thoughtful negotiation can bring a matter to a swift conclusion. If not, our attorneys are highly skilled at dispositive motions, alternative dispute resolutions and trial.

Indeed, Cozen O'Connor attorneys have been serving as lead trial counsel or national coordinating counsel in complex coverage litigation for four decades. The team includes fellows in the American College of Trial Lawyers and International Academy of Trial Lawyers, individuals and practices highly ranked by *Chambers & Partners USA* and other publications, and authors of widely cited treatises on insurance law.

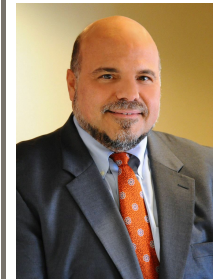

The size, bench strength and geographic scope of our practice greatly benefits insurers. We are able to provide comprehensive one-stop coverage counsel, advise clients on each state's unique set of codes and jurisprudence, and identify new trends in coverage and claims handling on a national and international basis.
