Start Date: 03/17/2022 Start Time: 1:00 pm End Time: 2:00 pm EDT

For most employers, the new normal means doing more work with less employees and no relief in sight. Workers have all of the leverage and know it, and have flexed that power through demands for pay increases, union organizing, and demands to improve diversity and inclusion. This webinar will identify legal issues that are dominating the labor shortage and offer practical strategies for both avoiding and managing legal risks during this difficult time.
