

Drew Neckar of Security Advisors Consulting Group Joins COSECURE

Thursday, January 18, 2024

PHILADELPHIA, January 18, 2024 — COSECURE Enterprise Risk Solutions, an ancillary business of Cozen O'Connor, is pleased to announce that Drew Neckar CCP founder of Security Advisors Consulting Group (SACG), a leading safety and security consulting firm, has joined COSECURE as a principal consultant.

Neckar attracted the attention of COSECURE after he quickly grew the SACG's business from a startup to a premier security consulting firm not only in the United States but internationally. Under Neckar's leadership, SACG became one of the most recognized and respected professional service firms assisting clients in health care, education, property management, social services, and entertainment industries with a range of capabilities from physical security, workplace violence, emergency preparedness, threat assessment, and litigation support.

"Drew is a security visionary, and an industry leader who brings extraordinary talent and credibility to the firm and our clients. We couldn't be more excited to welcome him to the COSECURE team," said Daniel Pascale, CEO of COSECURE.

"For many years, I have had the opportunity to work with the team at COSECURE, and our shared values, expertise, and thought leadership makes this a unique opportunity," said Neckar "I am excited to officially become part of the team."

While Neckar will serve as principal consultant and lead the health care security practice, he is uniquely qualified to work across industries. He is recognized as an expert in the security industry, furthering professionalism in the field of security by actively participating and holding leadership roles in numerous professional organizations, including ASIS International and the International Association for Healthcare Security & Safety.
