

Global Supply Chain Compliance: Navigating Tariffs, Mitigation Strategies, and More

Location

Webinar

Date & Time

Start Date: 10/25/2021

Start Time: 02:00 p.m.

End Time: 03:00 p.m. (ET)

Kristi Zentner will present on a panel titled "Global Supply Chain Compliance: Navigating Tariffs, Mitigation Strategies, and More" at the Association of Corporate Counsel's Annual Meeting. The panel will focus the presentation on compliance considerations within the end-to-end global supply chain. They will also explore issues to consider when sourcing products and components globally and the implications upon import, including how to identify and mitigate additional tariffs and approach compliance with Withhold Release Orders issued by U.S. Customs.
