Fran Mozgai, CPP

Director, Physical Security Services, COSECURE

Philadelphia

fmozgai@cosecure.com | (215) 665-2000

Fran Mozgai, CPP, assists clients in various industries with physical security assessments to implement best practices in areas such as security technology, access control and visitor management, and emergency communications. Fran previously served on the Hillsborough Police Department, an accredited law enforcement agency located in central New Jersey, retiring after serving more than 25 years. He most recently held the rank of captain and served as the agency's operations commander. Fran served in supervisory and command-level positions for 14 years and has supervised a multitude of units at his agency, including patrol, investigations, community policing, training, and internal affairs. He has also been a police academy in-service instructor.
